Clay's EZ Guide to Sign Up for ValenTango 2022

1. Dates

(Wed-Mon, Feb 9-14, 2022)
Go to **Schedule** and pick
the days you want to be there.

2. Registering

Many options exist, but most attendees fit into one of the following categories:

1. **Everything Pass ($384)**—for those who want convenience, best price and will attend nearly everything.
2. **Milonga Pass ($168) and a 6-Pack of Class Tokens ($150**)—for those who want to attend most milongas and only a few classes.
3. **Milonga Pass ($168)**—for those who want to attend only milongas and no classes.
4. **Two 6-Packs of Class Tokens**—for those who want to attend nearly all classes and only a few milongas. (You can pay for Individual milongas at the door.)

Decide which is best for you and go to **ValenTango Registration**.

3. Transportation

Located in NE Portland near downtown, check out the **Map** for details.

Portland International Airport (PDX) is easy to get to and many airlines have special rates. For list of airline booking sites, go to **ValenTango/ Travel**

Getting from the airport (or Amtrak station) to the Double Tree Hotel is easy and cheap.

On the other hand, if you already live in Portland, then you're all set.

4. Lodging

Main choices for lodging are:

1. **DoubleTree Hotel**—this is the most convenient since it's where the festival will be held.
2. **Other Commercial Lodging**—in additional to the DoubleTree, a variety of other hotels can be found nearby.
3. **Private Lodging**—many Portland residents have rooms to rent out during the festival.
4. **Find a Roommate**—reduce costs by sharing with other tangueros.

Again, if you live in Portland, then you're all set. Plus, free parking is available for ValenTango guests by picking up a pass each day at the Registration Table.
